## TUNLAND SINGLE CAB 1 TON WORKHORSE YOUR ONE FOR ALL WORKING BAKKIE

The Tunland is the first vehicle in its class to carry a Cummins engine. Integrating advanced thermal engineering and emissions technology, the Tunland's engine has low noise levels and vibration but produces high levels of power and torque.

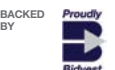

Tunland prototypes were subjected to 16 performance indexes, over 100 000 kilometres of endurance exercises and clocked up more than a million kilometres in high-temperature, high-altitude and extremely cold environments.

- 3yr/100 000km Warranty
- 3yr Roadside Assistance (RSA only)
- 3yr/Unlimited Anti-Corrosion Warranty

## POWER & PERFORMANCE

Engine	Cummins ISF 2.8 Turbo-Diesel
Power	96 Kw
Torque	280 Nm
Tank Capacity	75 litres
Fuel Consumption	8.0 Litres per 100km
CO <sub>2</sub> Emission	212g/km
Max Speed	150 kmph (governed)
Payload Capacity	1105 kg
Towing Capacity	2200 kg
Emission	Euro IV
Overall Dimensions (LxWxH)	5185x1800x1715mm

## STRONG & ADAPTABLE

- Ladder-Frame Construction
- Rigid Chassis
- Reinforced Steel Body
- Independent Double Wishbone Front Suspension
- Parallel Leaf Spring Rear Suspension
- 2315 x 1540 x 440mm (LxWxH) Load Bay
- 180mm Min. Ground Clearance

## SAFE & SECURE

- Chassis-Mounted Passenger Safety Cell
- Driver Side Airbag
- Height Adjustable Front Seatbelts with Pre-Tensioners
- ABS Brakes with Electronic Brake-Force Distribution (EBD)
- Motion-Sensing Door Locks
- Height-Adjustable Halogen Headlamps
- Remote Control Central Locking

## COMFORT & STYLE

- 15-inch Steel Wheels
- Air Conditioner
- Electric Windows
- 2-Speaker Sound System with Radio CD/MP3 Player, Audio Inputs (AUX + USB)

**POWER. PERFORMANCE. PRECISION**
